### Baltimore Gas and Electric Supports Carroll Small Businesses with Relief Fund Contribution

**Westminster, MD, Tuesday, June 2, 2020** – Community partner Baltimore Gas and Electric (BGE) recognizes the ongoing struggles that small businesses across the state face due to the COVID-19 pandemic. To help ease some of the local small businesses' financial burdens, BGE has donated \$45,500 to expand the Carroll County Small Business COVID-19 Emergency Relief Fund, administered by the Carroll County Department of Economic Development.

"Throughout the COVID-19 pandemic, BGE has endeavored to balance two important commitments to our residential and business customers and the communities we serve: provide relief from COVID-19-related economic hardship – to include supporting the efforts of our government partners, and continue to invest in the critical electric and natural gas infrastructure to ensure safe and reliable access to energy," said Rodney Oddoye, BGE's senior vice president of governmental and external affairs. "It is our hope that BGE's contribution to the County's Relief Fund will reach the small businesses that often are most vulnerable during a crisis and help them navigate this challenging period."

The application portal will open on **Thursday, June 4th at 1:00 pm**. Grant awards of \$1,000 will be provided to 45 small businesses, including sole proprietors and home-based businesses, with working capital to address disrupted operations due to COVID-19.
