### Carroll Rebound Grant Expands Eligibility and Extends Deadline to September 30<sup>th</sup>

**Westminster, MD, Monday, August 17, 2020** – Last week in Open Session, the Carroll County Board of Commissioners voted to expand the guidelines of the Carroll Rebound grant program for small businesses and nonprofits. The grant will now be available to all small businesses, regardless of zoning, and include home-based businesses. **These changes will be effective Wednesday, August 19<sup>th</sup> at noon.** The board unanimously approved the following changes:

- In consideration of the extraordinary challenges facing the industry, restaurants will be given an additional grant to match their initial grant award. New restaurant applicants will be considered for a double grant with eligible expenses to support their request.
- Grants of \$2,000 will be available to home-based and small businesses not located in a commercial or industrial zone. These businesses must provide proper licensure/certification if applicable (i.e. licensed daycare, licensed contractors, etc.) \*Any home-based business or other business that previously applied and were denied as a result of their zoning do **NOT** need to reapply. These applications will be reviewed under the new criteria.
- Assist farmers/producers with a new \$5,000 grant program designed to assist with agricultural-related COVID-19 impacts as this industry is uniquely different than a conventional business.
- 501(c)(3) nonprofits without employees are now eligible to apply for nonprofit grants.

The commissioners also approved extending the deadline for the Carroll Rebound program from August 31<sup>st</sup> to September 30, 2020.

The Carroll Rebound application portal now **closes on Wednesday, September 30, 2020 at 5:00 pm.** Grant applications will be reviewed by an internal team with awards based on need and the pandemic's impact on the business or nonprofit operations.
